The Star Flyer is a true Clipper Ship reflecting a proud heritage in every inch of their polished brass and gleaming charm. Star Flyer is a modern small ship in every way, created for adventure-loving passengers looking for the tradition and romance of the legendary era of sailing ships but with the comforts and amenities of the present day. She is 379 feet long and carries 166 guests in pampered comfort, over 36,000 square feet of sails. Sixteen sails billowing in the wind.

NAUTICAL HERITAGE

She offers spacious accommodation and expansive teak decks with ample space for walking and relaxation. In fact, you'll find that she offers more outdoor space per passenger than most conventional cruise ships.

The decor of the Star Flyer is reminiscent of the grand age of sailing with a modern touch. Antique prints and paintings of famous sailing ships appeal to the eye, while polished decks and gleaming mahogany rails are richly reminiscent of Star Clippers' proud nautical heritage.

MODERN AMENITIES

She features open-seating dining in an elegantly appointed dining room, delightful indoor and outdoor Tropical and Piano bars, and an Edwardian-style library where a Belle Époque fireplace glows with a warmth that reflects the friendliness and enthusiasm of Star Clippers' hospitable officers and crew.

CLEAN ENERGY

Star Flyer use very pure, high quality low sulphur gas oil for which the company was awarded the International Air Pollution Prevention Certificate. Star Flyer was the first ship in the world to receive this accolade.
