

EXCITING NEWS FROM THE BRIDGE!

Dear DEYC Club Members,

Have you ever wished you could get club gear any time of the year instead of just at some of our parties? Would you like to have your favorite DEYC store items personalized? Well, now you can. We are introducing the **new Down East Yacht Club online store!!** You can order your favorite items from the comfort of your location (wherever that is), with your choice of three logos (shown in the store) as well as personalization. Items will be shipped to your preferred location.

The link is shown below, but will also be available as a hyperlink on the club website. Please review the store and give us feedback on things YOU would really like to see offered as items there. Currently, there is just a small sampling of what is available, so we really need your input. Feel free to reach out to me, R/C Aaron Rugh at apr@chebeague.net.
